MASKS If you are fully vaccinated, you do not need to wear a mask because the vaccines are remarkably effective at stopping COVID. If you haven't been vaccinated, we *suggest* that you wear a mask, because we do have children here who have also not been vaccinated, and as we all know by now, children can have the COVID infection and not show symptoms. We want you to be safe. Please ask permission before hugging or shaking hands with anyone out of respect for their feelings.
